REASONS FOR ALLOWANCE

1. Based on applicant's amendment, filed 11/22/2006, see page 8 and 9, of the remarks, with respect to amended claims 12 and 14 have been fully considered and are persuasive and upon further consideration, the 35 U.S.C. 101 art rejection for claims 12 and 14 and double patenting rejection for claims 1-15, is hereby withdrawn.

2. Claims 1-15 are allowable.

3. The following is an examiner's statement of reasons for allowance.

Claims 1, 9, 10, 11, 12 and 14, the sole independent claims, are directed to an image processing apparatus and method which perform conversion for degrading the image quality and inversion for removing the image quality degradation for digital image data of a still or moving image in order to protect the copyright of the image.

With respect to claim 1, representing claims 9-12 and 14, set forth features in particular that are not taught by the prior art, the closest prior art of (Japanese patent No. EP0725529 A2) does not disclose or suggest, among other things, "for inputting, as the additional information for a predetermined pixel region unit, information representing which of the first and second visible intensities is used for multiplexing, determining on the basis of the additional information which of the first and second visible intensities is used for multiplexing in a pixel region of interest in multilevel image data".

These key features in combination with all of the other features of the claimed invention are neither taught nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
